foreword

In future years when looking at this book no alumnus of IHS can forget the change the year 1951 brought into his life—into his school—into his community.

At the beginning of the campus looms our new auditorium—modern in design—facile in operation—overwhelming in innovation.

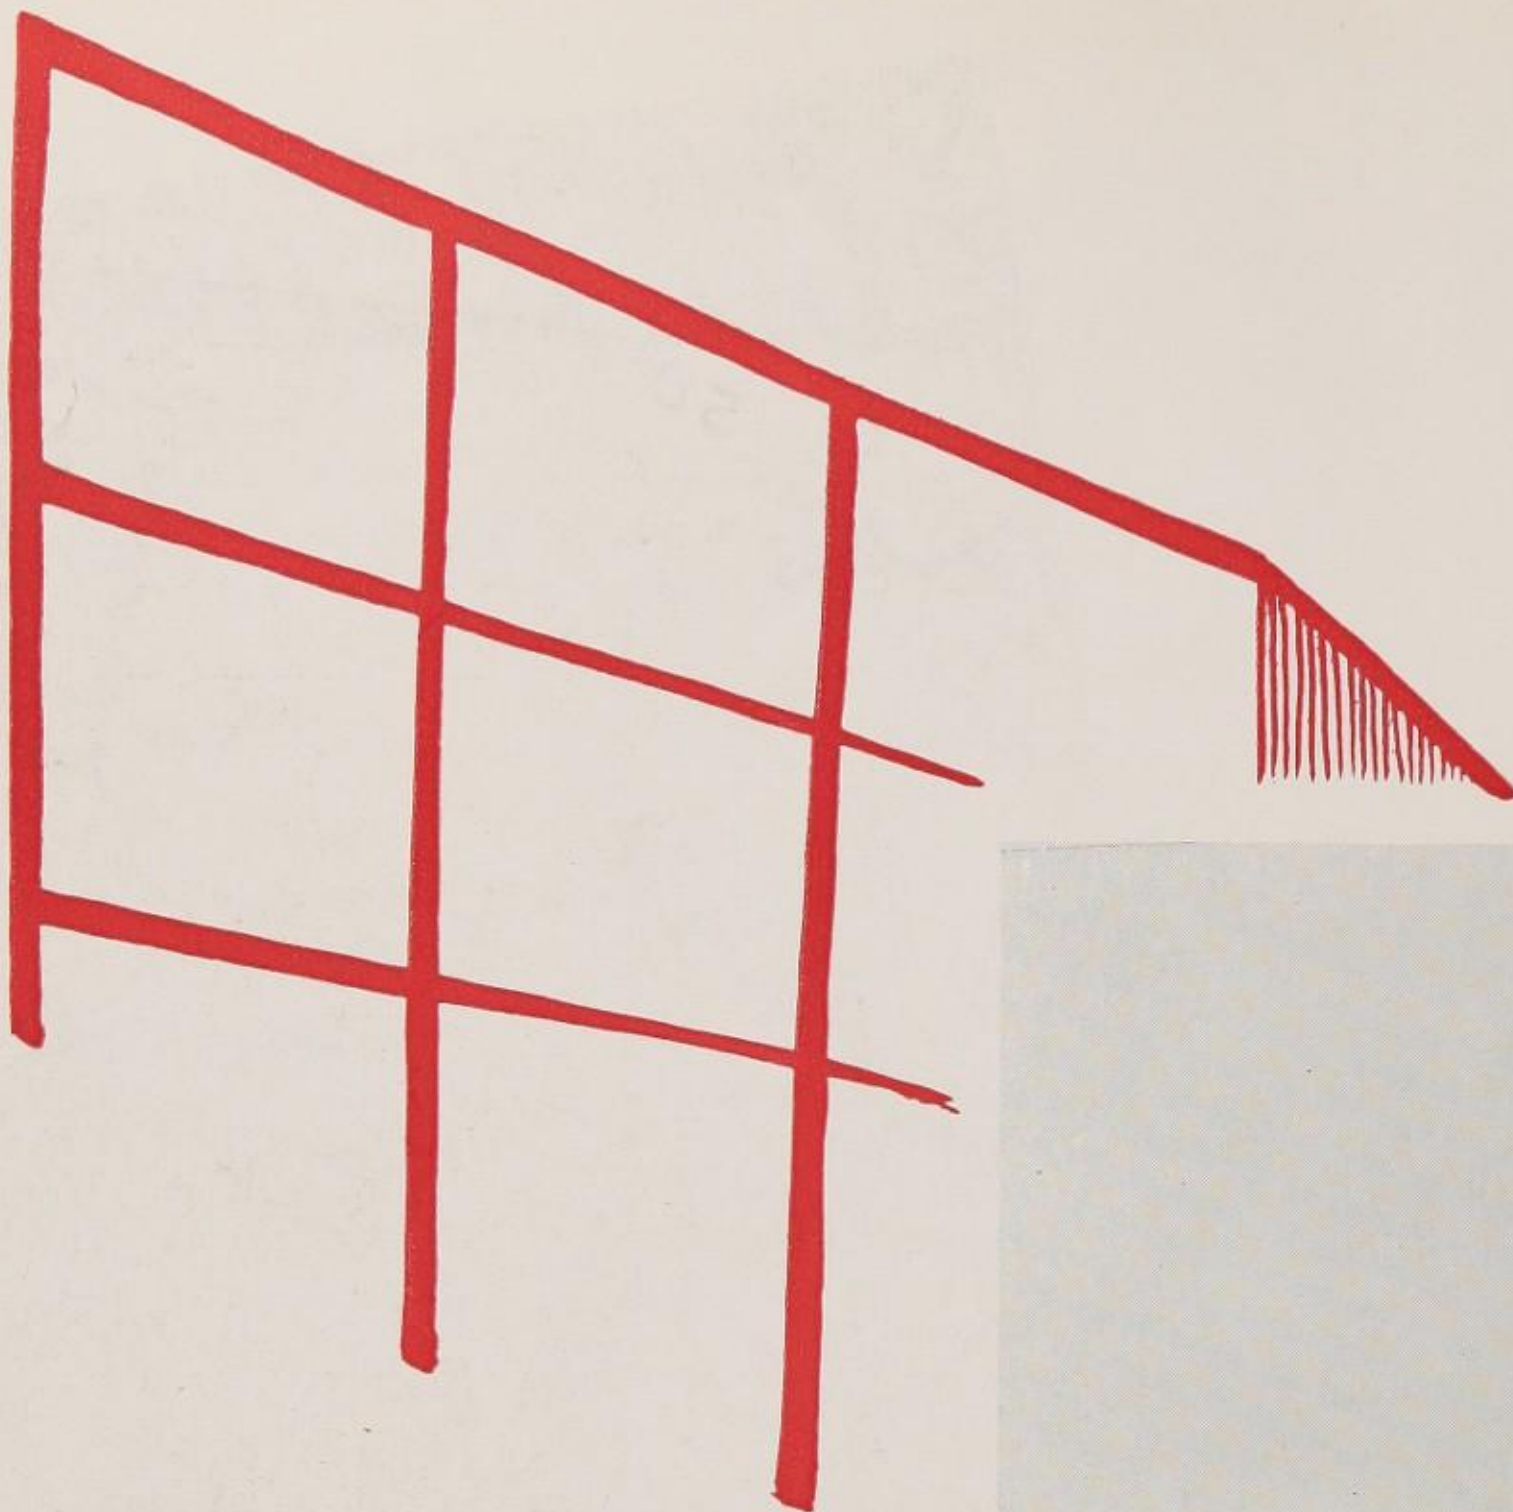

It remains needless to recite here what our acquisition of this auditorium—this assembly hall—this meeting place has done to make each student an even more component part of his school.

Therefore we have attempted in a book reflecting a full year of events to make our auditorium the leading character in a story upon which it has had—and upon which it will continue to have—so much bearing.

dedication

Mrs. Lockett — to divers people this name signifies a variety of things. To the school at large, she is one of our finest educators. So much is she, this meritorious teacher, one would not expect her to participate and advise to the degree she does in the activities going on about her, some of which are far removed from her specialized field. It is here, too, she is well-known and well-loved. She respects and puts great faith in all people who have faith in, and respect for themselves and are willing to profit by her advice. In a group she's known not only as an honored member, a savant and friend but is also notorious for her droll sense of humor. She truly loves life and enjoys living.

To those seniors who have her for Senior English, she is an understanding friend, a gracious counselor, as well as an expressive clarifier.

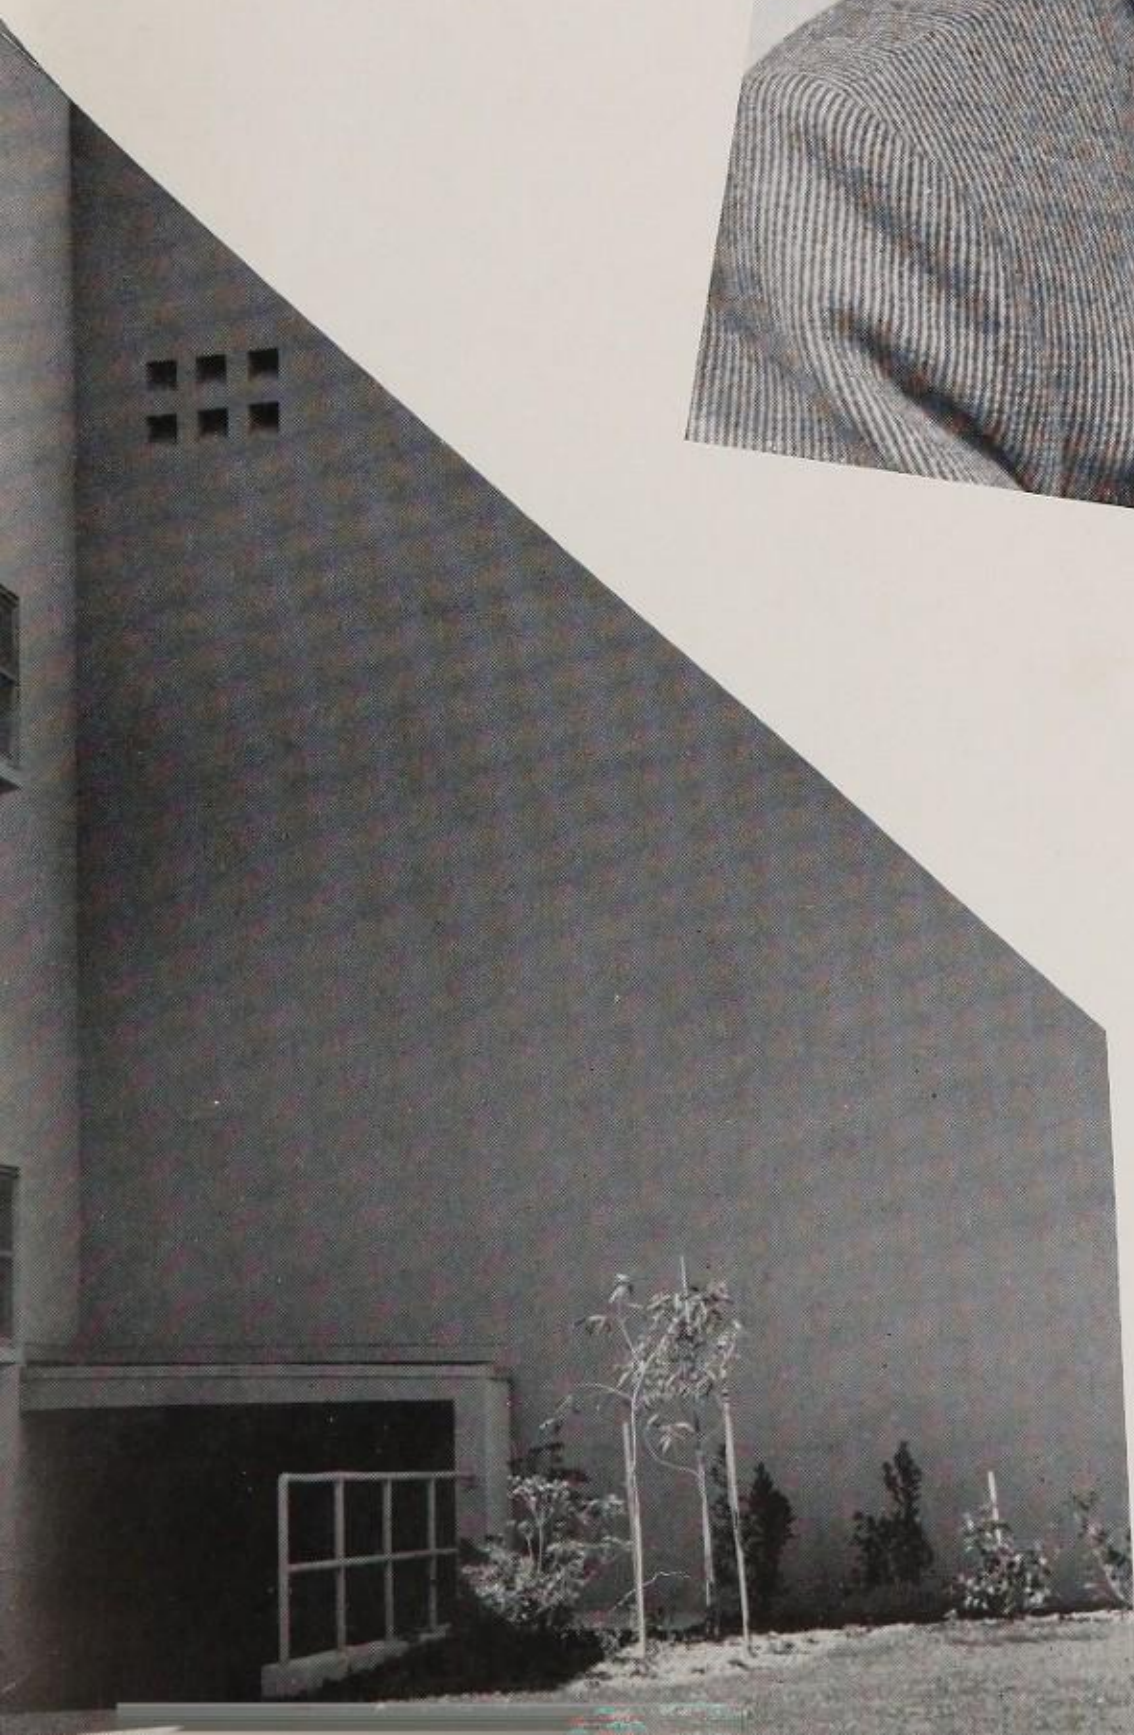

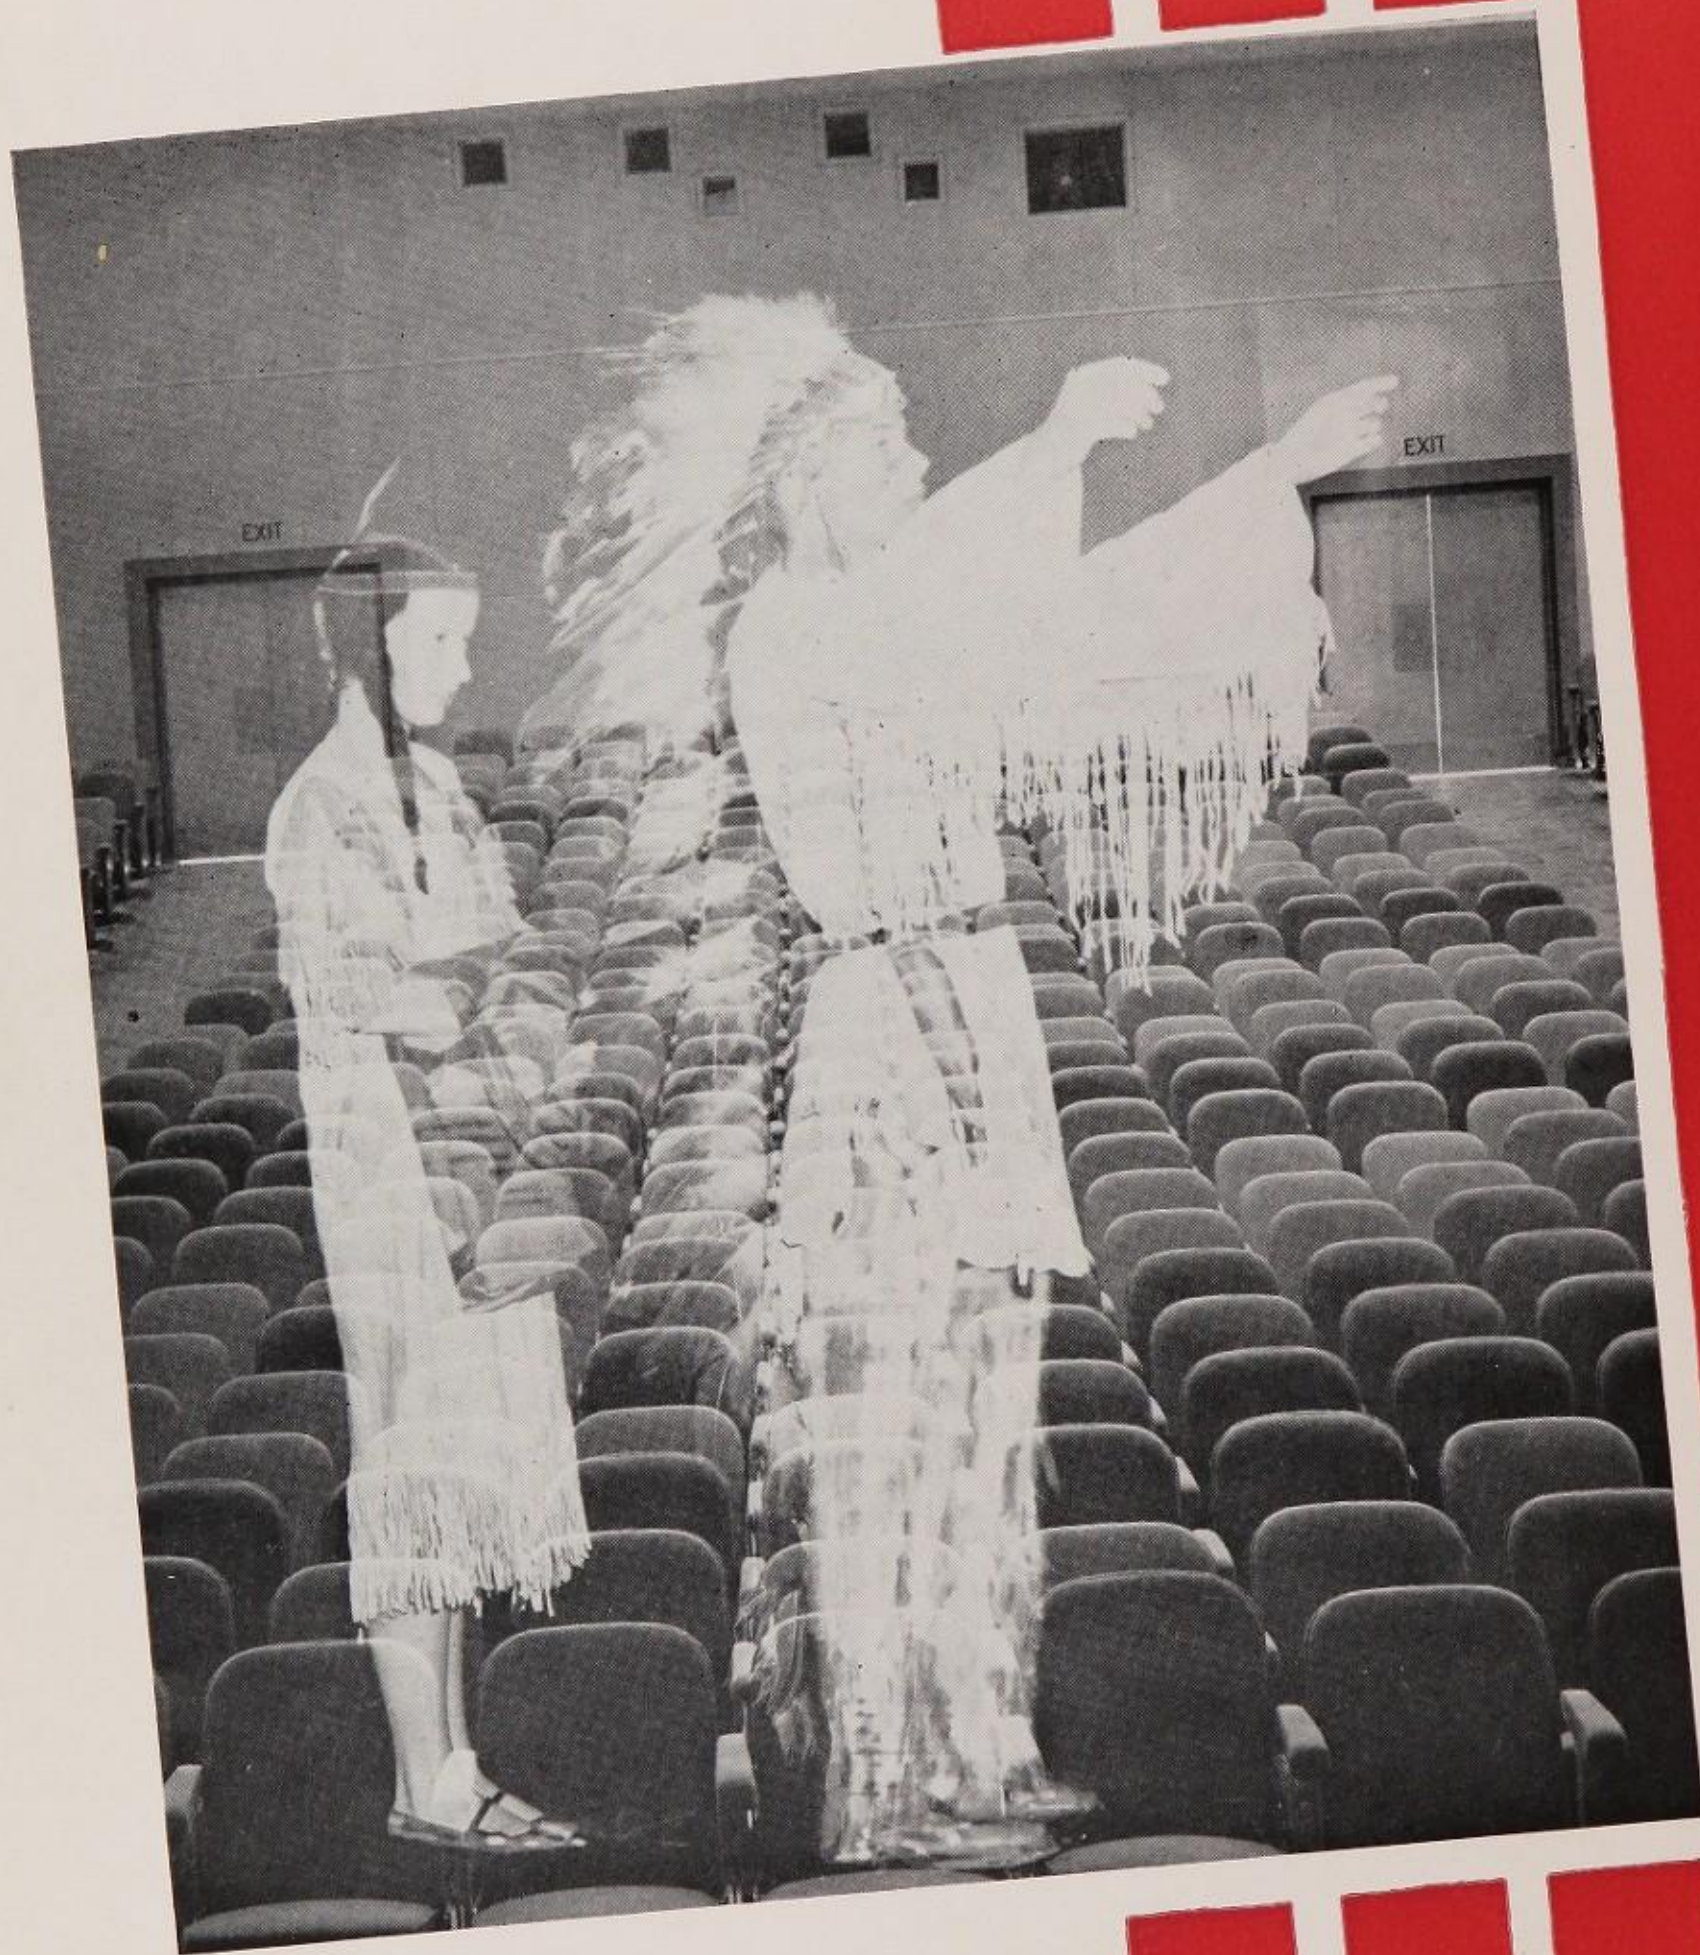

From pioneer stock, Mrs. Lockett has frontier spirit. She loves English literature above all other types. One of her pet theories is that a literary work is best understood and appreciated by a sympathetic understanding of its author. This perspective she applies to everyday human relations.

It is in recognition of the myriad services beyond her normal duties, in appreciation of her easily comprehended methods of instructions, and her inexhaustible supply of fresh ideas as a teacher that we dedicate the 1951 Green-and-White to her.

It is, indeed, with a deep sense of dedication to her and to the cause for which she has devoted so much that we here pay just tribute.

The Senior Honor Board is one of the hardest working service groups of Inglewood High School. During the past school year this organization has guided at assemblies, served at banquets, acted as traffic guards, and ren-

dered many other innumerable services to the school. With Mrs. Madland as their advisor, the Honor Board has contributed more than their share of time to school service.

class presented in June of this year the dramatic mystery "Kind Lady". June was a little late for the usual appearance of the annual production, but the Edward Chodorov thriller required a considerable amount of extra work.

The story revolves around a wealthy dowager who out of kindness takes in a destitute stranger off the streets for a cup of tea. It seems that he has a sick wife and some friends who turn out to be gangsters. All in all what happens in the three exciting acts makes for an entertaining evening in the new auditorium.

clubs clubs clubs

Clubs are an important factor in the life of a high school student. Not only do we go to school for an education but to learn how to participate in the social life of the campus. This experience is vital in the life we lead after graduation.

Inglewood has always had a great deal to offer in activities. We have tried to have clubs to fit the needs of every individual, among them being service clubs, honor clubs and clubs of general hobbies.

With Inglewood's serious problem of being overcrowded, arranging club meetings has been very difficult, but there has been enough cooperation and enthusiasm to conquer it.

Our new auditorium is certainly a great asset to our clubs and organizations. In it have been held meetings, movies and interesting talks by guest speakers. Having a new auditorium has made it possible to have many more activities than we have had these past few years.

Senior Orchestra

Director

Mr. Wheatherly

Student Director

Richard Jamison

We are very proud to have the largest High School Orchestra in the State of California. Our orchestra is not only the largest but one of the finest, as we have won first place at the festivals for the past few years.

Besides playing at many programs and assemblies, they have their annual concert and they have played at the intermissions of our school plays.

We hope that our orchestra will continue their fine work.

Senior Band

Much credit and appreciation goes to our fine Senior Band, and their fine, hard-working director, Mr. Metcalf.

This Band has been the backbone of our school spirit at our athletic games. They have played at rallies and other student activities.

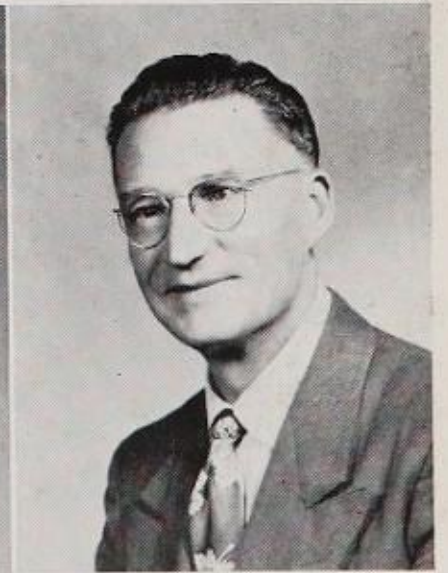

They have worked many hours to perfect their marching during half-time at the football games. We are sure that everyone was very pleased and surprised by the originality they had in their stunts this year.

Their annual Band Concert was, this year, better than ever. And every one who attended, will never quite forget it.

Our A Cappella Choir is one of the finest in the Bay League area. They have presented us with some of the best programs that we have had in our new auditorium.

Their work does not end by presenting only our school with their beautiful programs, they have sung for various programs for the city, different types of special meetings, the P.T.A., luncheons and banquets.

We must indeed pay tribute to the Choir's very wonderful director, Miss Vivian Spurgin, for without her it is doubtful that the Choir could be what it is.

DANCE BAND

has sent many rhythmic strains of our favorite melodies through the auditorium. Their director is Mr. Weatherly, whom we are very proud of.

Freshman Skating Party

"We all had a wonderful time and everyone enjoyed skating," Max Kirkendall, Class President, stated. Thus was the Freshmen Skating Party held at Westchester Skateland, Wednesday, December 13, 1950, at 3:00 p.m.

It was very unusual to see Miss McMonies, Miss Cholcher and Mr. Aguirre skating and playing a different role other than the regular school teaching.

Approximately 165 to 175 students attended this party. There were no other mishaps other than when Don Baird fell and broke his arm.

The party ended at 6:00 p.m., and everyone went home feeling very tired but happy.

The emblem for the class of '52 was drawn by Robin McCracken. Cardinal red and grey were chosen as class colors.

Roller Skating Party

The class roller skating party, pictured below, was only one of the many events which took place during the year.

CANDY LANE MARCH 16, 1951

Charlene Christie was crowned Queen, by Don Taylor, Class President. Her court princesses Barbara Woods, Pat Couser, Jean Williams, Mary Wilkinson, Donna Smith, and Gail Young were guided down the Candy Lane by their escorts.

To the strains of the music of Greg Summers and his High Hatters, the Junior Class waltzed under a mecca of shimmering lights and brilliant coloring.

SO LONG

Seniors of '51 now say goodbye,
To the fun that we've had at old Inglewood High.
We want you to know that it's been really grand,
For Inglewood High is the best in the land.

CHORUS

*So long it's been good to know ya,
So long it's been good to know ya,
So long it's been good to know ya,
Our four years are now at end
So we've got to be driftin' along.*
We'll always remember the teachers we've had,
Who've put up with pupils both good and both bad.
They'd ask for a truant, we'd tell them no more,
But picked up our books and tiptoed out the door, singing—Chorus
Old Inglewood Varsity just can't be beat,
We've swept the other schools right off their feet,
When they saw our guys and the game had begun,
They turned on their heels and they started to run, singing—Chorus
Now our years are through and we're saying farewell,
Our Principal Kenny has really been swell,
Our hearts will be with you though we're far away,
And now as the year ends it comes time to say—Chorus

With the last four years still fresh in our minds, we would like to offer our congratulations to the following seniors who have contributed so much to the betterment of the class and the student body as a whole.

FAREWELL

Farewell, you children of the sun
With one beam shown for every one
With one step gained and one flag flown
With arms full of promise and few seeds sown
With unchartered progress before you vowed
In wild fields of time never plowed
With Happiness, Pleasure, and shrouded Sorrow
With Heartbreak, Pain . . . and unveiling morrow,
With wakening dawn stretched above
Kissing the memorials of Nature's love
Along the highways of listening Man
Who quietly heard, then homeward ran
And toiled till Purpose from his hand fell:
For this, children of the sun, Farewell!

SOPHOMORE SOCK DANCES

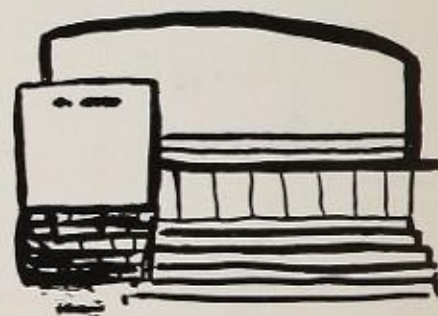

Now we have come to the end of four years, years filled with fun and memories which we shall never forget. The fall of 1947 saw a new class of freshmen enter Inglewood. They were a good class, full of ideas and looking forward to four years of fun and excitement. As our first class presidents we elected Jack Hannan and Jim Stewart. Under the supervision of our most wonderful advisor, Mrs. Sara Scoville, we enjoyed a marvelous picnic at Ladera Park that April.

The fall of 1948 saw this same class come back as "seasoned" sophomores. As our class presidents we chose Vince Benstead and George Meehleis. We held sock dances in the Boys' Gym during the noon periods, and on the whole we had a wonderful year.

In 1949 we came back as upperclassmen at long last! As our president we elected first Cal Potter and then Dick Anderson. On March 17th, the Study Hall was converted into a "Hawaiian Paradise" for the Junior Prom, our first big dance. In June we picked our colors — blue and grey. The new Senior Honor Board proudly displayed these colors as they ushered at the Graduation Exercises.

SENIOR PROM

BIG MOMENT

As our final year began, we elected Bob Kissam as our class president and plans were started for our Senior Prom. On December 8th, at the beautiful Bel Aire Bay Club we held our prom. The theme was "Christmas Dream" and the decorations were built around Christmas trees and bright ornaments. In January, the senior play class presented the hilarious comedy, "One Mad Night", in the brand new George M. Green Auditorium. Soon after, plans were started for our Senior Holiday to Catalina, under the guidance of our newly elected class president, Neal Taylor. At the end of May, we held our last dance—the hop—"Memory Lane", at the California Riviera Country Club. The Banquet, held the night before Graduation, was the last social activity which all the members of the Senior Class attended with the exception of Graduation itself. With Graduation came the completion of our high school years and the beginning of a whole new life; but in our minds, and in our hearts there will always remain the memories of those wonderful years that have just passed.

As school rapidly comes to a close, so comes to a close a very successful track season.

Under the coaching of Dick Arnett, the track team has gone all the way without falling to any of their opponents.

Winning a leg on the Badnock Trophy and taking the Bay League Crown are just a few of the outstanding performances of the track squad.

"Well Done."

G.A.A. CHRISTMAS PARTY

The annual Christmas party is one of the most popular of G.A.A. events. The gift this year was a check (made up of contributions from all G.A.A. members) to the Baptist Children's Home, to be used in the purchases of a slide for their playground.

Seated on Santa's (Shirley Dilts) lap is Helen Wragg.

G. A. A.

If any building on our campus could be called the heart of the school it is my belief that that building is the auditorium. Without it our entire program was greatly handicapped.

I am very grateful that it was completed in time for this year's senior class to be able to benefit from its use, and I am sure that many future classes will be better prepared as graduates of this school because of its existence.

The new auditorium is deserving of the attention you are giving it in this book.

My sincere congratulations to all Sentinels on the completion of another very successful year.

A school without an auditorium has been compared to a home without a living room. Certainly our auditorium at Inglewood has brought a new sense of unity to Inglewood High School, and it has brought us many new opportunities to make our school life richer. I am sure you all join me in thanking our friends and patrons for making this beautiful auditorium possible.
